ARCHITECTURE WEEK

APRIL 11-15

WHAT ADVICE DO YOU HAVE FOR STUDENTS?
WHAT DO YOU WISH YOU'D KNOWN?

"PUBLIC SPEAKING AND PRESENTATION SKILLS ARE CRITICAL IN THE DEVELOPMENT OF A SUCCESSFUL ARCHITECT. OFTEN, THESE SKILLS ARE LIMITING TO YOUNG ARCHITECTS. I WOULD RECOMMEND STUDENTS FIND OPPORTUNITIES TO SPEAK IN FRONT OF A GROUP, AND ALSO ATTEND LECTURES TO STUDY HOW EFFECTIVE PRESENTERS CAPTURE AN AUDIENCE."

BOB HEALY

"I TELL STUDENTS TO FOCUS ON MULTIPLE ART FORMS AND NOT JUST DRAWING. THEY SHOULD FEEL COMFORTABLE AND FLUENT IN SCULPTURE, MODELING, AND PAINTING. IF THEY HAVE THE OPPORTUNITY THEY SHOULD "BUILD" SOMETHING AND VISIT A CONSTRUCTION SITE TO BECOME MORE FAMILIAR ABOUT THE ASSEMBLY OF DIFFERENT BUILDING MATERIALS."

MARK KUKUYKA

"I WISH I HAD TAKEN A FEW BUSINESS AND MARKETING COURSES. I WOULD ENCOURAGE CURRENT STUDENTS TO SUPPLEMENT THEIR CURRENT PROFESSIONAL PRACTICE EXPERIENCE WITH BOTH BUSINESS AND PROJECT MANAGEMENT EDUCATION."

TROY WILLIAMS

"THERE IS ALWAYS SOMETHING NEW TO LEARN."

MIKE HALL

"SPEND TIME DEVELOPING RELATIONSHIPS WITH WHO YOU'RE WORKING WITH. DRAW WITH YOUR HANDS AND GET RID OF THE COMPUTER EVERY NOW AND THEN."

DAN PIETERS

"TRAVEL AS MUCH AS POSSIBLE."

ROGER LAYMAN

"YOUR FINAL GRADE IS FAR LESS IMPORTANT THAN THE SKILLS AND PORTFOLIO YOU'LL BUILD ON YOUR WAY TO IT."
